Opening a training academy for slaves and submissive persons. Video filming will take place and you will share in any proceeds for the DVD and streaming video clips sold thru an online distributor. Please provide one or two face and body (not nude) pictures and your availability for an interview. We are both very dominant and experienced.

Update 6-30-16

We have found our male and trans sub for training/filming, still searching for a sub/slave female, and a couple, both sub/slave. Thank you to everyone who has contacted us, especially the polite and straight forward ones.

You WILL be put through an extensive period of training

Age: 30
Ethnicity: African Descent

Actively Seeking:
Submissive Female
Submissive Male
Submissive Transgender
Sub/Sub Couples

and the videos will be reviewed by both you and ourselves to adjust your training and correct any errors made by yourself. All bondage will be tight to allow for various suspensions and for you to be engaged with many types of devices. A typical training session would be a minimum of 2 hours.

Any "pretenders" or dishonest candidates will be weeded out and discarded immediately. You must be HWP.

We hope all of you in the greater Minn/St.Paul area will come and train with us. We will assess local area candidates first. Please bear with us as we fully checkout the prospective candidates. Security is very important to us. Thank you.
